The Saskatchewan Wildlife Artist Association will proudly present their 30th Annual Reflections of Nature Art Show & Sale from October 22 – 23, 2022 at Prairieland Park in Saskatoon. This show is truly a celebration of nature through art!

Our most exciting evening is Saturday's Gala Opening Wine & Cheese. This event gives everyone a chance to mingle with the artists and acquire unique pieces for your private art collections. I hope that you can make it out that night.

Our show celebrates artistic creativity and expression inspired primarily from nature, but not restricted to wildlife art. Landscapes, domestic animals, fantasy and non-realistic are all included. We enjoy displaying and viewing hundreds of original entries from across Canada. Our competition includes divisions in photography, carving, sculpture, painting and drawing in both youth and adult categories from the beginning to the professional artists. We provide learning experiences with workshops and demonstrations. There is booth space for both vendors and artists. Art creates vibrant communities!

We are looking for support for our show through sponsorship and have enclosed documentation describing who we are, what we offer and the guidelines of the various sponsorship support available. All sponsorships are tailored to produce a mutually beneficial experience.

Please read this documentation to determine if sponsorship is a fit for you. If you decide that sponsorship is not for you at this time, I hope you have the opportunity to visit the show and keep us in mind for future years. I look forward to hearing from you.

Yours truly,

Harvey Rebalkin

Who we are

In 1986 The Saskatchewan Wildlife Art Association was created. We are a non-profit organization whose mandate is to introduce, celebrate and promote wildlife art and the artists who create it.

In 1990 we started our annual show which has grown to include divisions in photography, carving, sculpture, painting and drawing, for youth and adult divisions from beginners to professionals. This show is constantly evolving and now has categories for wildlife art, traditional native art, natural landscapes, domestic animals, fantasy art, digital art and non-realistic art.

Our competitive divisions draw hundreds of entries making this a very exciting and inspiring event.

Our Show

Our Gala Reception event on Saturday evening gives visitors the chance to meet the artists and participate in our live and silent auctions. Wine & cheese included.
